## A CALL FOR THE GREAT HEALING

Healers world wide are being called into action for Universal Synchronization

June 21st - August 12th

from the Star Elders and the Invisible Councils of Light through Aluna Joy Yaxk'in

*“As we step through this door, may we walk upon the planet, among the rocks, the grasses, the oceans and the stars. Let us all welcome our creative spirit as the evolution of the universe. Take the new tools and the new vision, and open all doors as we pass this way.” ~ Wave Dasher.*

Over eons of time, the Star Elders and others like the Star Walkers (also known as the Invisible Councils of Light), have mapped the cyclic patterns of the universe and our solar system. They have watched cycles shift and change course, and doors of time and space open and close. It has been their job to gently nudge the Earth into alignment so

that the Earth and the rest of the solar system and universe could be synchronized. Once synchronized, there will be no limits to what we can create. No limits to how we can live. No limits to where we can go. The Star Elders are excited to say that this job is nearly complete. Now they need our help to finish the job.

They have watched humankind struggle to understand cosmic truths and natural laws on a planet that has been out of sync with a universal perspective. They know this has not been an easy job for us. They know we are a bit like the blind leading the blind. Because of this, they have also watched us, in the past, sadly misuse the energy that has moved the cycles away from universal synchronization. But a great awakening is happening in the consciousness of humankind. Not just a few can see the light of truth; now uncountable ones can feel the truth rising up in them like an ancient memory. It is an amazing time to be alive.

The Star Elders have waited patiently for a time when humanity living on Earth could rise above this zombie karma ridden state and evolve into living Masters and flawless creators (read "The Awakening of the Samurai Light Workers" at <http://www.kachina.net/~alunajoy/2007june.html>). That time is now! YOU are being invited to join together in a great cause to complete a great mission. You are ready . . . the Earth is waiting for you . . . it is time! Healers and grid workers world wide are being called into action by the Star Elders, The Star Walker Council and The Masters of Light. YOU are being called to assist in a great healing and realignment of the Earth's grids. You are called to help heal old breaks between the dimensions caused by misuses of power.

You and I, no matter how small or insignificant we might see ourselves, are called to assist in the greatest healing and acceleration of human evolution ever experienced by a living being. We are being called to help those who may have misused their power in the past and those who have been hurt by this misuse of power.

*"I am only one, but I am one. I cannot do everything, but I can do something. And because I cannot do everything, I will not refuse to do the something that I can do. What I can do, I should do. And what I should do, by the grace of God, I will do."* ~ Edward Everett Hale

*"Unless you try to do something beyond what you have already mastered, you will never grow."* ~ Ralph Waldo Emerson

**It is now time for GREAT COMPASSION . . . and GREAT FORGIVENESS . . . offered in a space of NON-JUDGEMENT without ego and from the HEART.** The wrongs created in the past were done by those doing the best they could in an environment that did not reveal truth adequately. We are being called into action and to put to use the LIGHT, POWER and UNCONDITIONAL LOVE. It is time for us to come into fully realizing how magnificent we truly are.

"Our first line of defense against unhappiness is refusing to believe that we are the victims of the bad intentions of others. The formula is: Do not blame the trigger. The world is full of triggers; in fact, life is designed like that, so that we will truly practice. We can be grateful for all these triggers, as without them we might never recognize our own unfortunate reactions." ~ Ayya Khema in "Visible Here and Now"

*“You who have the light, what are you doing with it?” ~ Paul Claudel*

From June Solstice (June 21st) through the Perseid Meteor Shower (August 12th) is a rare window of opportunity to do this work. We have been to this place before and failed. This time we will not fail. The Star Elders say we are victorious, but it is not a time to sit back in the spiritual easy chair and wait for this glorious future to arrive. We must take action. Spirit helps those who help themselves! When two or more are gathered, I AM there! Humanity, the Earth and the universe must work together to bring about this great universal synchronization.

*To everything there is a season, and a time to every purpose under the heaven. ~ Ecclesiastes 3:1*

Within this window is the exact frequency or echo of time in history where massive misuses of power took place. During these times, we lost the planet Maldek, which is now our asteroid belt. We can still see part of this planet every August with the Perseid Meteor Shower. We have witnessed the fall of Atlantis and have been dealing with its reproductions up to this time. More recently, we have deployed nuclear bombs. These nuclear bombs cracked and burned holes in and between dimensions leaving those parts of the Earth unprotected from lower frequencies and lower dimensional laws. Nuclear bombs also cracked souls of those who died in the blasts. All these events misused a type of technology that can and did cause great wounds. It also wounded uncountable others who survived these catastrophes causing current day paranoia and fear. But the only fear that is real now... is fear.

Time is cyclic in nature and because we are circumnavigating through a time where a miss-use of power took place . . . over and over again. It is time to break this cycle! Now we have the greatest opportunity to heal these past errors in present time. When we heal these past errors, we can end war and have peace on Earth. We can live in global harmony with all life and even experience universal unity. Our health will be restored. Abundance will not be an issue anymore. Ancient home sickness will vanish. Our dreams can be realized. Our suffering ends. We will never be lonely or feel lost again.

So the Star Elders encourage me to send you their message. Even though I can dream this new world in my mind, I also feel how imposable it seems in this moment to actually obtain this Heaven on Earth. I know this is what we all dream of . . . So what if we decide to join together in the four corners of the world and give it all we got? What if? But worst yet, what if we don't? I know that if we don't reach for the stars, we can't complain about our current world. So REACH! It is time right now . . . TODAY! Gather together. Call out to the healers, the grid workers, and the energy workers, and SEE the planet WHOLE - HEALED - ABUNDANT – HARMONIOUS and FULLY CONSCIOUSNESS. Do your work in all TIME, SPACE and DIMENSION, in the PAST, PRESENT and FUTURE and in all the BODIES, MINDS and SPIRITS of all living things! Use your Heart, and do what you are called to do. It is our LOVE of the emerging future that is our power. Use this power, and it can only get stronger everyday. Nothing can hold back this light.

*“Nothing is more powerful than an individual acting out of his conscience, thus*

*helping to bring the collective consciousness to life.” ~ Norman Cousins*

So here is a list of what the Star Elders say needs to be done before the 2008 shift. We only have a few months, from June 21st through August 12th, to make this happen the easiest way. We will be working WITH an open doorway in a cycle of time that echoes back to the exact places that need to be healed.

### **Healing Atlantis would include . . .**

\*\* Ask for universal justice, forgiveness and spiritual healings of the ones who misused the power and caused the collapse of Atlantis. This will insure that this type of catastrophe will never happen again. And this is already so! \*\* See HEALED all who died at the hands of those who misused power in Atlantis, so as to help facilitate healing of the souls that were cracked at this time. This will help all those how seem unable to heal, those who have been diagnosed clinically insane or have other mental illnesses, or those that act out unimaginable and unexplainable violence. \*\* See HEALED all those who have deep emotional trauma from surviving the fall of Atlantis. This will help with paranoia and catastrophobia at this time; thus helping them to be at peace and free them to help with this healing. \*\* See HEALED the energy to the grids and wounds and cracks between dimensions caused by the misuse of power that caused the fall of Atlantis. The two biggest cracks are in the Middle East and the oceans around Egypt, Greece, Jordan, Israel, Lebanon and Iraq . . . and the Bermuda Triangle and Yucatan. These dimensional cracks are much like cracked souls. These areas are unprotected from negative underworlds and lesser evolved dimensions, thus causing constant war and/or strange occurrences and phenomena in these areas.

### **Healing the planet Maldek would include . . .**

\*\* Ask for universal justice, and spiritual healings of the ones who misused the power and caused the collapse of the planet Maldek. They are reincarnating in this dimension and are holding places of power once again. Many were part of the fall of Atlantis by acting out old patterns. It is time for them to be healed, forgiven and awakened. See it SO! \*\* See HEALED all who died at the hands of those who misused power in Maldek, so as to help facilitate healing of the souls that were cracked at this time. Again this will help all those who seem unable to heal, those who have been diagnosed clinically insane or have other mental illnesses, or those that act out unimaginable and unexplainable violence. \*\* See HEALED all those who have deep emotional trauma from surviving the fall of Maldek. This will help with survival paranoia and catastrophobia at this time; thus helping them to be at peace and free them to help with the healing.

*"We have probed the Earth, excavated it, burned it, ripped things from it, buried things in it. ... That does not fit my definition of a good tenant. If we were here on a month-to-month basis, we would have been evicted long ago." ~ Rose Elizabeth Bird*

### **Healing the soul our current age would include . . .**

\*\* Asking for universal justice, forgiveness and spiritual healings of the ones who deployed nuclear bombs. Also, send energy to any and all existing nuclear bombs and see them rendered useless. This will insure that this will never happen again. And this is already so! \*\* See HEALED all that died because of nuclear bomb blasts, to facilitate the healing of the wounded souls that were cracked at this time. This will help all those who seem unable to heal, those who are clinically insane or have other mental

illnesses, and those that act out unimaginable and unexplainable violence. \*\* See HEALED all those who have deep emotional trauma from surviving the nuclear bomb blasts. This will help with paranoia and help empower them to rise above the victim and to be at peace and empower them to help with this healing. \*\* Send healing energy to the grids and wounds between dimensions caused by nuclear bomb blasts in and around the area of Japan and all nuclear bomb test sites. While we are at it . . . there is a smaller wound at Chernobyl in the Ukraine.

There will come a moment when you will no longer settle for less than you know you're capable of achieving. One day you'll realize that everything you do makes a difference, and you'll put that incredible power to valuable use. There is really no reason to put that golden day off any longer. There is every reason to go ahead and make it happen for you. You were born to do great things, to create much value, to make a real difference.
